SOLUTIONS ON DISPLAY

To meet the demand for point-of-sale displays, Diseko delivers world-class custom solutions to empower its customers through 4 product categories:

- 1.** Self-service. Multi-material display systems for self-service channels.
- 2.** Convenience. Displays for the modern channel, convenience stores and pharmacies.
- 3.** Traditional. Exhibitors for traditional channel.
- 4.** Specials. Display systems for special channels, shopping malls or plazas.

SERVICES

Diseko has comprehensive services to meet the needs of its customers:

- Design and development of custom products.
- Logistic solutions to deliver the products inside or outside the country.
- Mexican-American customs brokerage services.
- Cross-border storage and forwarding services.
- Generation and administration of content and specialized personnel implant.

STRUCTURE

Diseko's operational structure provides customers with a unique quality service of its kind. With 8 specialized departments and bilingual project managers, Diseko has established itself as a national leader in exhibition solutions. It has commercial offices in Mexico City, Querétaro, Aguascalientes, and Puerto Rico.

Diseko has a strong commitment to the environment by providing sustainable solutions in a green operation with more than 1,900 solar panels that optimize its infrastructure.

**Your best partner
to do business
in North America.**
