ELEVATING STANDARDS

Vesta is a Mexican public company that develops, operates and leases world-class industrial buildings and distribution centers in Mexico. It is the first Mexican industrial platform listed on the Mexican Stock Exchange.

Vesta has an offer of unique strategic locations in the neuralgic points of connectivity in Mexico and a highly specialized expert team that offers timely, immediate and reliable communication.

With quality as one of its strategic axes, Vesta offers its clients an efficient service and sustainable real estate developments with a dedicated team and personalized attention; all this with the implementation of continuous improvement with its quality management system ISO-9001: 2015

WHERE CAN YOU FIND VESTA INDUSTRIAL PARKS?

Vesta is ideal for the logistics, e-commerce, and light manufacturing industries. With its subsidiary EnerVesta, on-site electrical connection times are made more efficient.

Vesta has a web platform with a Smart-metering system, which allows users to check energy consumption in real time, download information and use it for energy analysis.

Vesta will always be present. With on-site service, you can always count on the Vesta team.

Vesta has 4 policies on which it defines the principles under which AGS practices will operate throughout its operation and with stakeholders.

1. Social Responsibility, Environment and Governance Policy
2. Social Investment Policy
3. Diversity, Equity and Inclusion Policy
4. Climate Change and Resilience Policy

Your best partner to do business in North America.
