

El Gran Bajío

One pager 2023

At Terminal Logistics we are committed to every detail of our service to create the best logistics experience for our customers.

Terminal Logistics is a Mexican company founded in 2005, starting operations in 2008, with the purpose of providing professional services for the operation, administration and marketing of Bonded Warehouses, Air, Sea, and Multimodal Terminals, as well as the administration of authorized bonded warehouses.

Currently, they operate and manage the Air Cargo Terminal of the Intercontinental Airport of Queretaro, which is the third most important airport in cargo movement in the country and also the fastest growing.

¶The first bonded warehouse in Mexico, which does not belong to an airline, has obtained the

Accreditation as Known Consignor, according to CO SA-17.4, established by the Federal Civil Aviation Agency (AFAC).

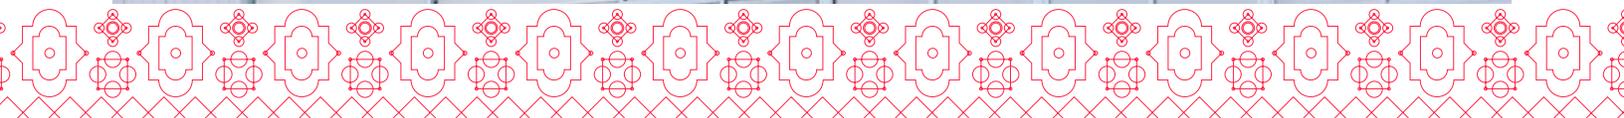

SERVICES TRUCKING

Terminal Logistics Bonded Freight Services is a nation-wide leader in Mexico's bonded trucking services.

They operate a completely new fleet of ride equipped trucks meeting the highest maintenance standard to ensure that your cargo is being transported under the best conditions.

Terminal logistics.

Terminal logistics is committed to offer the best choice for inbound transits.
