### INDUSTRIAL PARKS GOES BOUTIQUE

ARGO Grupo Industrial is a group of highly specialized companies for the development of comprehensive industrial projects. With an ultra-personalized service, ARGO ensures the quality and execution of projects thanks to a great understanding of the future and a unique local presence.

ARGO Industrial Group has 4 lines of business:

1. **ARGO Steel Works:** Metal structure projects and highly specialized structural solutions.
2. **ARGO Real Estate:** Development of key real estate projects for the industry.
3. **ARGO Industrial Park:** Boutique industrial parks with the highest quality standards.
4. **ARGO Industrial Constructions:** Comprehensive industrial construction projects.

Located in San Luis Potosí, its strategic location allows them to provide services throughout the Mexican Republic, the United States and Canada. In addition, the proximity of access to the borders, main ports and highways of the country allows them, as well as their clients in the industrial parks, to be more competitive.
