

El Gran Bajío

One pager 2023

Our facility boasts one of the largest production capacities in the industry, allowing us to respond quickly to our customers' needs with excellent customer service, competitive pricing, and the flexibility to adapt to changing demands.

Our facility is centrally located in Aguascalientes, so we can guarantee timely delivery of your products.

Our products range from refrigerator racks to point-of-purchase displays, including all types of wire products for any type of industry.

We have strict quality policies in all our production processes to ensure the highest quality for our clients, and a stable financial record to guarantee the success of your project.

PRODUCTS OR SERVICES

Exhibitors

DTA manufactures custom in-store displays for retail and promotional businesses, built to meet specific guidelines. We also make standard shelves and displays that can be used in any store. Our facility has a large production capacity that allows us to manufacture custom retail displays quickly and effectively.

DTA's retail displays and fixtures allow you to easily and effectively display your merchandise, increasing product sales. Also, thanks to our

facility and strong manufacturing capacity, we are able to offer on-time production and service that you can rely on.

OEM (ORIGINAL EQUIPMENT MANUFACTURER)

DTA has the ability to manufacture components on a large scale for use in finished products. We can customize formed wire for automotive components with fast turnaround times and competitive costs.
