LEADERS IN FORKLIFTS

Bravo Montacargas is a company specialized in the sale, rental and maintenance of forklifts of different types and capacities to meet the specific needs of its customers.

Official distributors of highly prestigious brands in the market, they provide specialized service and the most up-to-date technical training to guarantee a competitive and quality service.

With one of the most complete inventories in the country, Bravo Monta offers availability of original and equivalent parts and spare parts with quality and speed.

Complements to improve the efficiency of the teams. To develop more specific tasks, Bravo Forklift has a portfolio of accessories to improve production efficiency for:

1. Improve operator performance
2. Reduce costs and damage to equipment.
3. Better use of spaces

ENVIRONMENTAL COMMITMENT

With a unique understanding of environmental responsibility in the industry; Bravo Forklift has developed an unprecedented environmental commitment in its category.

From the implementation of environmental regulations in the facilities, to the development of electric forklifts, the efforts of the environmental commitment are aimed at:

1. Noise reduction
2. Vibration reduction
3. Reduction in fuel consumption.
