## UNIQUE DAIRY PRODUCTS IN MEXICO

With the mission of serving the most demanding markets, Grupo San Jacinto creates dairy products of the highest quality from Aguascalientes to most of Mexico and the United States.

San Jacinto has the Siliker safety audit certification, with acceptance of more than 95% and an audit by the FDA that granted authorization without any conditions to sell in the United States.

Grupo San Jacinto's plant is one of the top 3 in Latin America with state-of-the-art technology.

### INNOVATION

Innovation is part of Grupo San Jacinto's DNA, creating unique dairy products in Mexico to fill rich and modern Mexico with flavors and nuances, and which are presented under three product lines:

- **Classics:** traditional cheeses.
- **Originals:** the unique creations of Mexican cheese and ingredients.
- **Light:** light and natural cheeses

## SOCIAL RESPONSIBILITY

Grupo San Jacinto is concerned with improving the social situation of the community in which it is located, therefore, and thanks to sociological studies, they have detected problems and undertaken actions that contribute to social and cultural development.

- **San Jacinto Soccer Project**

With the objective of establishing an approachment with the families of the workers and contributing to satisfy the needs of recreation and leisure that will develop abilities and potentialities of each member.

Participating in the Rincón de Romos League, San Jacinto collaborates by providing sports facilities and equipment necessary for training.

- **Collaboration Autonomous University of Aguascalientes - San Jacinto**

Thanks to this collaboration, community diagnoses are carried out to detect the needs of the population; social projects are designed and executed to meet the needs, consolidating community support network
